Rain or Shine!

A WORD FROM OUR CITY MANAGER

I have some exciting news to share with you this month! First, the City of Woodstock was named #50 on **Money Magazine's Top 50 Best Places to Live in the United States!** We are very honored to be the only City in Georgia to make their Top 50 List.

We were also recently named a 2040+ Community and Regional Leader by the Atlanta Regional Commission and listed as #24 on the Safewise Top 40 List of Safest Cities in Georgia.

We are pleased to announce the new City Amphitheater has been approved by Council! Construction is set to begin after our final concert of the Summer Concert Series on September 12th! Plans include a 5000-6000 tiered grass seating area, a band shell with a green room, bathrooms, retaining walls and beautiful landscaping to be completed in 2016.

Let me also encourage you to visit <http://www.artwoodstock.org> to find out more about how you can help our Community Based Consulting Team bring a "Public Art Master Plan" to the City of Woodstock. A series of public input meetings will be held in September and we'd love for you to participate!
